Webinar on the management of Air Navigation Deficiencies
From 14 to 16 March 2023

Fictitious States

For the conduct of the exercises, participants are requested to register on the AANDD platform as Focal Points of the fictitious States listed in the table below, depending on the breakout session they intend to participate. For Example:

- ✓ an **English**-speaking participant coming from an Administration/Organization of the **ESAF** region, willing to participate in the **CNS session** would register as a focal point of State-**CNS-ESAF-English**,
- ✓ a **French** speaking participant coming from an Administration/Organization of the **WACAF** region who want to attend the **MET session** would register as focal point of State-**MET-WACAF-French**.
