(Presented by the Secretariat)

SUMMARY

This paper presents Pan Regional AIDC ICD related information and activities.

1.   **Introduction**

1.1   The Pan Regional AIDC ICD developed by the joint Interregional AIDC ICD Task Force (NAT and APAC regions) was adopted by APANPIRG/25 through Conclusion 25/35 as Version 1.0 serving as regional guidance for AIDC implementation in the APAC and NAT Regions.

1.2   ICAO APAC Regional Office issued a State Letter T8/3.5:AP163/14 (CNS) dated 25 November 2014 regarding Pan Regional ICD for AIDC which had been published on ICAO APAC website since October 2014   http://www.icao.int/APAC/Pages/edocs.aspx .

1.3   NAT Region approved the Pan Regional ICD for AIDC by IMG in November 2014. Therefore, this pan regional ICD had been approved by both Regions.

1.4   The Pan Regional ICD would be likely to be reviewed by Data Link Working Group at global level and would be consolidated into updated ICAO Doc. 9694 which would take more time.

1.5   A Special Implementation Project - Seminar on the Implementation of ATS Interfacility Data Communication (AIDC) was held at the ICAO Asia and Pacific (APAC) Regional Office (Bangkok, Thailand, 28-31 October 2014). The objective of the Seminar was to assist the APAC States in implementing ASBU B0-FICE to Increase Interoperability, Efficiency and Capacity through Ground-Ground Integration. The Seminar was attended by forty (40) participants from thirteen (13) Administrations (Australia, Bangladesh, Cambodia, Macao China, India, Iran (Islamic Republic of), Malaysia, Myanmar, Philippines, Singapore, Sri Lanka, Thailand and Viet Nam.

1.6   APANPIRG/25 Meeting through Decision 25/37 established AIDC Implementation
Task Force. The first meeting of this AIDC Task Force is scheduled for 16 - 18 June 2015 at ICAO
Regional Office in Bangkok, Thailand.
