

*International Civil Aviation Organization*

**e-ANP CNS DEVELOPMENT WORKING GROUP (e-ANP)**

08 – 10 April 2015, Bangkok, Thailand

---

**Agenda Item: 2:        Review and update of draft action plan**

**DRAFT MATERIAL FOR POPULATING THE APAC e-ANP VOLUME III**

**(Presented by the Secretariat)**

**SUMMARY**

This paper presents the main objectives of draft material for populating the APAC e-ANP Vol. III

**1.        Introduction**

- 1.1        The information contained in Volume III is related mainly to:
- Planning: objectives set, priorities and targets planned at regional or sub-regional levels;
  - Implementation monitoring and reporting: monitoring of the progress of implementation towards targets planned. This information should be used as the basis for reporting purposes (i.e.: global and regional air navigation reports and performance dashboards); and/or
  - Guidance: providing regional guidance material for the implementation of specific system/procedures in a harmonized manner.
- 1.2        e-ANP CNS WG needs to populate the volume III of e-ANP.
- 1.3        Volume III calls for **ASBU BLOCK 0 MODULES applicable in APAC region**, a main planning table and ANRF.
- 1.4        A draft main planning table was prepared by Secretariat based on Regional priorities and targets and ANRF adopted by APANPIRG/25

## **2. Discussion**

2.1 All necessary draft material is stored on the secure portal:

<https://portal.icao.int/AECWG/Pages/default.aspx?RootFolder=%2FAECWG%2FDocuments%2FeANP%20Volume%20III&FolderCTID=0x0120001EAC4CF14D7C5B41A247290F3873754C&View={11B016AF-B709-4286-8A31-AEAD7DBB1C02}>

2.2 Access to the secure portal needs an application with the group name **AECWG**.

## **3. Action by the meeting**

- a) the meeting is invited to note the information contained in this paper; and
- b) discuss any amendment to the draft material intended for the Volume III of the new e-ANP.
