Agenda Item 6: Develop Future Work Programme

FUTURE WORK PROGRAMME

(Presented by the Secretariat)

SUMMARY

This paper presents proposals for the future work programme of APANPIRG and its contributory bodies for consideration by the Group.

1. Introduction

1.1 In accordance with the procedures of APANPIRG as set in its Procedural Handbook, at each of its meetings, the Group should endeavour to agree on the date and duration of its next meeting.

1.2 In order to allow the contributory bodies to review the various air navigation problems in the ASIA/PAC regions at regular intervals as may be required and recommend solutions, it was agreed that APANPIRG should meet once a year (APANPIRG/1 Report).

2. Discussion

2.1 It was agreed earlier that the future meetings of APANPIRG will be scheduled taking into consideration the ANC/Council programme, so that the review of APANPIRG reports by the ANC/Council could be achieved without delay, thus facilitating timely follow-up action by the States and the Secretariat.

2.2 APANPIRG/10 developed a tentative meeting schedule for 2000 and 2001. According to this APANPIRG/12 was scheduled to be held in September 2001. The meeting schedule of the contributory bodies were reviewed by the respective Sub-Groups and revised dates have been suggested.

2.3 The suggested schedule of meetings for 2001 and 2002 given below is based on the normal practice followed so far:
