**Agenda Item 6: Develop Future Work Programme**

**FUTURE WORK PROGRAMME**

(Presented by the Secretariat)

**SUMMARY**

This paper presents proposals for the future work programme of APANPIRG and its contributory bodies for consideration by the Group.

**1. Introduction**

1.1 In accordance with the procedures of APANPIRG as set in its Procedural Handbook, at each of its meetings, the Group should endeavour to agree on the date and duration of its next meeting.

1.2 In order to allow the contributory bodies to review the various air navigation problems in the ASIA/PAC regions at regular intervals as may be required and recommend solutions, it was agreed that APANPIRG should meet once a year (APANPIRG/1 Report).

**2. Discussion**

2.1 It was agreed earlier that the future meetings of APANPIRG will be scheduled taking into consideration the ANC/Council programme, so that the review of APANPIRG reports by the ANC/Council could be achieved without delay, thus facilitating timely follow-up action by the States and the Secretariat.

2.2 APANPIRG/12 developed a tentative meeting schedule for 2002 and 2003. According to this APANPIRG/14 was scheduled to be held in September 2003. The meeting schedule of the contributory bodies were reviewed by the respective Sub-Groups and revised dates have been suggested.
