

Key Benefits of the AVSEC PMC® Training Programme

Attend the most advanced aviation security (AVSEC) training programme in existence today. Become an internationally recognized professional AVSEC manager

A unique Professional designation tailored to aviation security discipline

Permanent membership in the AVSEC eProfessional Community network

Required by some States for any AVSEC assignment or consulting service

Full-spectrum AVSEC approach
Based on worldwide AVSEC requirements and practices - 70% of the course

Advanced Management Training
John Molson School of Business (JMSB) of Concordia University - AACSB accredited Business School - 30% of the course

AVSEC P.M. Professional Designation

This course leads to a formal AVSEC Professional Manager (PM) designation delivered jointly by ICAO and the John Molson School of Business at Concordia University.

Innovative and flexible learning environment

Distance eLearning format with a teaching load equivalent to 5 weeks full-time

Flexible individual study time management combined with eClassroom advantages

The added value of **one-week face-to-face sessions** at beginning and end of programme

A flexible travelling **choice** with different face-to-face locations during the year

AVSEC eProfessionalCommunity (ePC)

AVSEC PMC is designed to provide the graduates with permanent access to the global AVSEC eProfessional Community network through a web-based forum managed by ICAO and JMSB. The AVSEC ePC provides exclusive forums that contribute to the professionalisation of the AVSEC discipline.

AVSEC PMC[©] Tuition Fees € 3 500 Euros
