

Agenda for Dakar, Senegal

Dates: 9 – 13 March 2015

Place: ICAO Regional Office, Dakar, Senegal

Language of training: The training will be conducted in English with simultaneous interpretation in French

Participants: Representatives of civil aviation and public health sectors, plus other relevant stakeholders

Objectives

The objective of this training is to providing a multi-sector/multi-stakeholder framework for strengthening capacity in the public health and aviation sectors to prevent, rapidly detect and respond to cases of a serious communicable disease, including EVD, related to air transport.

Specifically for pilot training in Dakar, training will focus on the implementation of requirements for the aviation sector contained in relevant ICAO annexes and WHO IHR (2005).

Training resources:

Aviation sector:

- ICAO including CAPSCA resource personnel (Dr. Anthony Evans, Dr. Jarnail Singh, Arthemon Ndikumana, Nika Meheza Manzi, Evalou Gngang)
- ACI – Ali Tounsi
- IATA - Dr. C. Thibeault

CDC: Quarantine and Border Health Services

- Andrew Demma
- Joanna Regen

WHO:

- HQ Global Capacity, Alert and Response (Dr. Menucci,)
- WHO AFRO WCO Burkina Faso (Dr. Marie Chantal Haoua Kambire-Diarra)
- WHO AFRO WCO Senegal – (Dr. Malang Coly=

Ministry of Health – Dr. Alioune Fall

Day One – Monday, 9 March 2015

#	Time	Focus	Topic	Chair	Resources required	
1.0	08:00 - 09:00	Registration				
1.1	09:00 - 09:30	Opening ceremony and Introduction to Workshop	Objectives of workshop Review of Agenda Introductions of participants and	ICAO - Manzi
