Appendix B: Aerodrome Operations (safety, capacity and efficiency) – Priority Projects

	PROPOSED PROJECTS	PRIORITY	RELATED ASBU MODULES	STATUS OF IMPLEMENTATION
1	Training and qualification of Technical staff (Regulators & Airport operators)	A	APIRG Conclusions	Not started
2	Aerodrome Rescue and Firefighting Services (RFFS)	A	APIRG Conclusions	Not started
3	Aerodrome Emergency Planning (AEP), including Public Health emergencies	A	APIRG Conclusions	Not started
4	Aerodrome data management (determination, reliability and publication)	A	Non applicable	Not started
5	Wildlife/ Environmental/ Land use Management/ obstacle control	A	Non applicable	Not started
6	Implementation of Runway safety programmes at Aerodromes	A	B0-SURF	Ongoing through RST implementation activities
7	Aerodrome Maintenance and Runway conditions reporting	A	Non applicable	Not started
8	Establishment and implementation of A-CDM	B	B0-ACDM	Not started
9	Aerodrome Certification (SMS, regulatory framework, procedures and manuals, …)	A	APIRG Conclusions	Ongoing under the AFI Plan aerodrome certification Project
