Sir/Madam,

I have the honour to advise that due to interest from States and organizations involved in PBN, a PBN Seminar has been added to the programme, prior to the PBN Task Force Meeting (PBNTF/8). The Seminar is expected to involve interactive presentations that are intended to focus on the progress, barriers and innovations in PBN implementation and is aimed at people that are already involved in PBN.

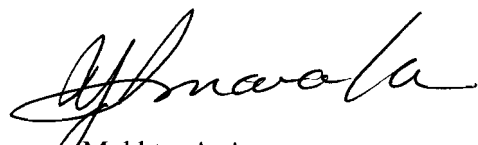

The PBN Seminar has only been possible because of the support of the gracious host, Airports Authority of India, and is planned for Tuesday, 10 May and Wednesday, 11 May 2011.

The Seminar will largely run in parallel to the Workshop, except it starts a day later. As this is a change to the original notification, participants are asked to reconsider whether they wish to attend the Workshop (Monday, 09 May – Thursday morning, 12 May 2011), which is intended for people that have not had the same level of exposure to PBN as those in the Seminar, or the Seminar itself (Tuesday, 10 May – Wednesday, 11 May). If there are any changes in participation, please advise the Regional Office so we can reallocate space (the Workshop is limited to 40 participants).

The Seminar offers an opportunity for entities other than International Organizations and States to be involved in presentations. Therefore the Regional Office would like to particularly promote interest from those organizations that have specialist knowledge in the barriers and innovations for PBN implementation.

The Task Force meeting itself remains unchanged, and is scheduled for the afternoon of Thursday, 12 May and on Friday, 13 May 2011.

Accept, Sir/Madam, the assurances of my highest consideration.

Mokhtar A. Awan  
Regional Director
