

*International Civil Aviation Organization*

**First Meeting of the Asia/Pacific Regional Search and Rescue Working Group  
(APSAR/WG/1)**

Bangkok, Thailand, 15 – 19 August 2016

---

**Agenda Item 4: Asia/Pacific and inter-regional SAR planning, coordination and cooperation**

**DESIGNATION OF FOCAL POINTS AND SAR AUTHORITIES IN CAMBODIA**

(Presented by Cambodia)

**SUMMARY**

This paper presents a short brief on designation of National focal point and competent authorities of search and rescue service. It provides the Cambodia search and rescue information on aeronautical and maritime of search and rescue and to provide the present of SAR system.

**1. INTRODUCTION**

1.1 This paper presents a short brief on designation of national focal point and competent authorities of search and rescue service in Cambodia National Search and Rescue system.

1.2 It provides an outline on the Cambodia Search and Rescue information, cooperation on aeronautical and maritime SAR organizations, existing Search and Rescue information including challenges and ongoing works to improve the present Search and Rescue system.

**2. DISCUSSION**

**General**

2.1 The search and rescue service in Kingdom of Cambodia is provided by the State Secretariat of Civil Aviation (SSCA) of Cambodia, Co-ordinate and forward information to the National Committee for Disaster Management (NCDM) with respect to taking proper action according to operating procedures in the incidence of loss or long delay of arrival of aircraft which have responsibility for making the necessary facilities available.

2.2 The SAR service and facilities in the Kingdom of Cambodia are available without charge to neighboring states upon request to SSCA and NCDM at all times. For the condition of availability for international use, there are no dedicated SAR aircraft and SAR vessels. All aircraft and vessels of militaries and civil agencies are being provided on request in conducting of SAR mission. The other facilities and personnel of military, such as Royal Cambodian Armed Forces, Navy, Air Force, Police, Military Police and local Administration Organization will also conduct SAR missions.

2.3 The service is provided in accordance with the provisions contained in the following ICAO documents and local procedures:

1. Annex 12 - Search and Rescue (SAR)
2. Annex 13 - Aircraft Accident and Incident Investigation
3. Doc 7030 - Regional Supplementary Procedures for Alerting and SAR services applicable in the SEA Region.
4. Doc 9731- International Aeronautical and Maritime Search and Rescue Manuals Cambodia Procedures

2.4 The Asia/Pacific SAR Plan provides guidelines and recommendations for Asia/Pacific States to consider for the enhancement and improvement of national, sub-regional and regional SAR capability compliance with Annex 12 SARPs; operations and cooperation across regional boundaries including contingency procedures; supporting the sharing of SAR information, data and expertise. The Cambodia National Search and Rescue system had updated and designed some information to cooperate, collaborate, coordinate, contract and communicate with International Emergency Coordinating Center has responded to changing demands with innovative and contemporarily relevant improvements SAR services within SAR region.
