Sir/Madam,

I have the honour to inform you that the ICAO Asia and Pacific COSCAP Programme's will present a Cabin Safety Inspector Course. Support from the Civil Aviation Authority of Singapore in releasing Mr. Allan Tang, Principal Training Specialist – Singapore Aviation Academy, to deliver the course and the generous contribution of event funding from AIRBUS and BOEING make this high quality and cost effective training possible.

The Cabin Safety Inspector Course is tailored for regulators and will be held at the ICAO Asia Pacific Office in Bangkok, Thailand from 15 to 19 August 2016. I would encourage you to take advantage of this opportunity for your Inspectors and Cabin Safety trainers to attend this course.

Included for your action are the course outline (**Attachment A**), the Nomination Form (**Attachment B**) and the Bulletin (**Attachment C**). As the programme can accommodate up to 40 participants, we encourage you to submit your formal registration as soon as possible, but not later than **1 August 2016** to help us in finalizing the arrangements. Your assistance with this matter is appreciated.

All of the attachments can be obtained from the meetings section of the ICAO Asia and Pacific Office Website <http://www.icao.int/APAC/Meetings/Pages/default.aspx>.

/ Please note . . .

Please note that this will be a paperless course to the greatest extent possible, trainees are required to bring their own notebook/computers for the lesson. A USB key with all the course materials will be provided to all participants upon registration.

Should you require further information or assistance with this matter, please contact ICAO COSCAP-SEA Programme Secretary, Ms. Sudhatai Juntarapratin at [Khun.nong@coscap-icao.org](mailto:Khun.nong@coscap-icao.org)
