Action required: Reply not later than 30 April 2004

Sir/Madam,

I have the honour to draw your attention to APIRG/14 meeting held in Yaounde, Cameroon, from 23 to 27 June 2003 and State letter Ref. ES AN 4/45 – 0878 dated 16 December 2003 (copy attached). APIRG/14 Conclusion 14/21 and AFI RVSM Task Force/2 meeting Conclusion 2/4 *inter alia* advocated as follows:

Conclusion 14/21: Implementation of RVSM in the AFI Region:

That:

States do their utmost to implement RVSM in selected airspaces, as per plan by AIRAC cycle date of 20 January 2005 concurrently with the CAR/SAM Region.

Conclusion 2/4: Nomination of National Program Manager

That:

States/service providers nominate, as soon as possible, but not later than 31 December 2003, a National Program Manager who will be responsible for ensuring that the proper mechanism be put in place for the safe implementation of the RVSM program and will also act as the focal point or contact person.

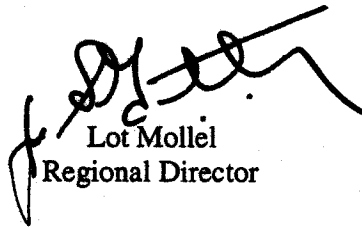

Successful and timely implementation of RVSM will be dependent on the establishment of a National Program Office to manage the RVSM Program and appointment of dedicated staff with the required expertise. The Program Office shall develop a detailed Program Management Plan, which will provide a baseline and communication tool against which to monitor the cost, schedule and performance aspects of the RVSM Program.

.../2...

The Program Office will not only act as the National RVSM Implementation focal point but also coordinate all actions with the AFI RVSM Implementation Office in Nairobi.

I would be grateful if you could as soon as possible, but not later than **30 April 2004**, provide the AFI RVSM Implementation Office (ARPO) in Nairobi with the necessary contact details of your respective Program Managers.

Accept, Sir/Madam, the assurances of my highest consideration.
