First Meeting of the AFI ATS Message Handling System 
Implementation Task Force (AFI AMHSI/TF/1) 
(Nairobi, Kenya, 19 to 20 May 2011)

AFI AMHS Implementation Task Force Terms of Reference

Terms of reference:

1) Conduct a comprehensive review of ICAO Standards and Recommended Practices for the Aeronautical Message Handling System (AMHS) application as specified in Annex 10 Volume II[3], chapter 4.6 and Annex 10 Volume III, Part I[26], chapter 3.5.3 and ICAO Doc.9880 Part IIB[5];
2) Collect and analyze information on the status of AFI ANSP Aeronautical Message Handling System plan processing systems including ongoing upgrades to existing systems;
3) On the basis of the above, and in accordance with relevant additional ICAO provisions, develop a coordinated AFI transition strategy and plan with associated timelines to enable the streamlined coordinated implementation of AMHS.

Considerations:

In addressing these terms of reference, the Task Force should consider, inter alia, the following aspects:

a) The implemented systems in the AFI Region could differ from systems in other ICAO Regions and accordingly provide recommendable Regional action with global goals;
b) Inter and intra regional issues;
c) Personnel training for operational migration from AFTN to AMHS;
d) AFS network backbone capability;
e) Contingency arrangements for States that cannot comply by the due date;
   • Way to handle staged implementations by States,
   • Expectations across ANSPs with different implementation dates, and
f) Systems that transition early will need to be capable of handling both new and current instructions.
g) Inter-system exchanges need to take account of differing automation capabilities in order to avoid excessive message rejection;
h) Establishment of an Information Management system to track implementation timelines for various States/systems;
i) Impacts to users (compliance to new flight plan format); and
j) Appropriately timed withdrawal of existing systems specific requirements to ensure consistency with new instruction.
k) Existing ICAO guidance material

7.2 Those who are not exempt should apply for visas well in advance from Kenya High Commissions or Embassies, which will issue them upon the presentation of documentation showing that the applicants are designated representatives to a particular UN meeting to be held in Nairobi. For countries with no Kenya High Commission or Embassy, the British Embassy or High Commission will generally represent Kenya and be in a position to issue visas.

9. WEATHER AND LOCAL TIME INFORMATION

Wet season – April to late June
As the southeast monsoon sets in the rains give way to the driest season. Low-level moisture however ensures there is a lot of cloud and often, in Nairobi, the sun may not be seen for days. In contrast the nights are clear. Nairobi’s mean maximum temperature is reduced to 21°C and minimum to 10°C.

10. LOCAL CURRENCY AND FOREIGN EXCHANGE RATES

10.1 The basic unit of currency is the Kenyan shilling (Ksh), which is divided into 100 cents. There are silver and bronze coins of 1 shilling; bronze 5 shillings, 10 shillings 20 shillings and 40 shillings. Notes are issued in denominations of 50, 100, 200, 500 and 1000 shillings.

10.2 Kenya shilling exchange rates are determined by the interbank trade which varies daily. The dollar rates fluctuate from Ksh.80 to 82.

10.3 There is no limit to the amount of foreign bank notes or traveller's cheques, which visitors may bring into Kenya. However, the export of Kenyan currency by visitors is strictly forbidden. A maximum of 400 shillings may be taken out.
10.4 Commercial banks and Forex bureaux provide exchange facilities. Most banks are open between 9.00 am to 4.00 pm from Monday to Friday and between 9.00 am to 12.00 am on the first and last Saturday of the month. Hotels also offer exchange facilities but at a small extra fee. For those who may need Kenyan currency immediately on arrival, the banks at Jomo Kenyatta International Airport are open daily from 7.00 am to midnight and will change foreign currency into Kenya shillings. Please keep a receipt after changing your foreign currency to enable you to change back the remaining shillings into foreign currency when you are leaving the country.
