Subject: ICAO/CANSO Regional Runway Safety Seminar
(Zambezi Sun, Livingstone, Zambia, 9 – 10 October 2014)

Action Required: Reply at your earliest convenience, preferably not later than 19 September 2014

Sir/Madam,

I have the honour to inform you that the International Civil Aviation Organization (ICAO), in partnership with the Civil Air Navigation Services Organization (CANSO), invites its Member States, participants, sponsors and exhibitors to a Regional Runway Safety Seminar to be held in Livingstone, Zambia, from 9 to 10 October 2014.

ICAO and its Runway Safety Partners are committed to presenting Regional Runway Safety Seminar (RRSSs) across the globe over the next two years to promote the establishment of Runway Safety Teams (RSTs) as a means of addressing runway safety issues. You are invited to be part of this important regional event that will bring together experts from diverse professional domains to promote a multidisciplinary approach to improving runway safety in Africa.

The seminar will discuss among other things the runway incursions/excursions statistics, the regulators and industry perspective on runway safety and the importance of Runway Safety Teams. The second day will assist participants to identify safety hazards; and also analyze and assess safety risks. All the duly nominated State officials are required to register online at http://www.icao.int/ESAF/reg/Pages/default.aspx

Please note that information on the venue and information bulletin for Zambia will be provided in due course.

Accept, Sir/Madam, the assurances of my highest consideration.

Mesheshia Belawneh
ICAO Regional Director
Eastern and Southern African Office
