1. INTRODUCTION

1.1 The Twenty-Third Meeting of the AFI Planning and Implementation Regional Group (APIRG/23) was held virtually and jointly with the Sixth Meeting of the Regional Aviation Safety Group (RASG-AFI/6) from 23 November to 2 December 2020. APIRG/23 adopted Thirty two (32) Conclusions and Six (6) Decisions. Additionally the joint APIRG/23 and RASG-AFI/6 session adopted four (4) conclusions and three (3) Decisions while the APIRG /23 adopted Nineteen (19) Conclusions and four (4) Decisions that are applicable to the AAO-SG.

1.2 RASG-AFI and APIRG record their actions in the form of Conclusions and Decisions as follows:

- a) Conclusions deal with matters which, in accordance with the Groups' terms of reference, merit directly the attention of States, or on which further action is required to be initiated by the Secretary in accordance with established procedures.

- b) Decisions relate to the internal working arrangements of the Groups and their subsidiary bodies.

2. DISCUSSION

2.1 The Sixteen Conclusions and four (4) Decisions related to the AAO-SG have been monitored by the secretariat since the last APIRG meeting. Including Progress has been made in the implementation of some Conclusions and Decisions, however in order for AAO/SG to report efficiently and in a timely manner, there is need for States to improve the flow of information provided to ICAO Regional Offices regarding the status of implementation.

2.2 Furthermore, it may be noted that AAO-SG/3 and APIRG/23 reviewed the status of implementation of APIRG Conclusions and Decisions as presented by the Secretariat, and took appropriate action by updating implementation progress at regional level.

2.3 Status of implementation is as attached in **Appendix A** for Airspace and **Appendix B** for Aerodromes
