***Capt. Rabi H. Yadudu***

*MD-FAAN & CHIEF EXECUTIVE, ASTC-LAGOS*

*Dr Anne O. Egbadon, Coordinator, ASTC- Lagos*

# Roadmap

- Following **ICAO's** relaunch of the Year of Security Culture (**YOSC**) in 2021, the **Federal Airports Authority of Nigeria (FAAN)** set the ball rolling, first with the design of an approved roadmap in November 2020.
- The ***primary objective*** of the roadmap is to enable ***effective engagement of the various sectors*** of the Airport System and drive the implementation of ICAO's vision for the Year of Security Culture (YOSC)

# Roadmap

- The Roadmap covers nine (9) key areas which are:
  - a. Awareness Workshop/Seminar/Symposium:*
  - b. Policy & Process Articulation*
  - c. Enhance Security Reporting System*
  - d. Community Relations*
  - e. Security Communication*
  - f. Standardized /Structured Security Awareness Programme*
  - g. Signage, Posters & Announcements*
  - h. Increase in Number of AVSEC Instructors*
  - i. Functional Training Schedule/Programme and Background Checks*

# The Journey So Far

- The **Federal Airports Authority of Nigeria** commenced the actualization of strategies in **December 2020**.
  - **First Quarter (Q1) of 2021**, - Encouraging Strides.
  - For the purpose of this presentation,
    - **3 unique strategies** with tremendous impacts on our security system:
      - 1. AVSEC Instructors Course & Virtual Course for Instructors**  
( Report earlier forwarded to ICAO-HQ & WACAF)
      - 2. Community Relations**
      - 3. Security Communication**
- Communication  
which will impact  
Community Relations**

# ***Community Relations & Communication***

# Target/Focus Groups

## External

- Communities Surrounding Airports.
  - *Villages, farmers, etc.*
  - *Cities*

## Internal

- Non-Security Workers at Airports
- Personnel of Security Agencies drafted to Airport for boarder control duties

# Modality & Frequency
