Ref.: ES AN 9/15 – 0332

24 September 2021

**Subject: Invitation to ICAO ESAF Workshop on Operation of Aircraft (19-20 October 2021)**

*Action Required: Reply by 7 October 2021*

Sir/Madam,

The ICAO Eastern and Southern African (ESAF) Office is organizing a virtual workshop on operation of aircraft from 19 to 20 October 2021.

This workshop will address performance-based implementation issues related to ICAO SARPS as applied in particular to the following:

- Flight Planning and Fuel Management (ICAO Doc 9976);
- Performance-Based Communication and Surveillance (PBCS) approvals (ICAO Doc 9869);
- Aircraft Performance (ICAO Doc 10064).

The workshop will also review current issues in the implementation of the Universal Safety Oversight Programme Corrective Action Plan (USOAP CAP) in the area of operation of aircraft.

States are strongly urged to attend this important workshop with a target participation of civil aviation inspectors in operation of aircraft, aircraft incidents and accidents investigators, pilots, instructors and other operations personnel from air operators and training organizations. In this regard, your administration is kindly requested to extend this invitation to the targeted participants and relevant organizations.

The detailed programme and corresponding documentation will be made available in the ESAF website <https://www.icao.int/ESAF/Pages/meetings.aspx>.

Participants are invited to register online at <https://www.icao.int/ESAF/Pages/meetings.aspx>, preferably by **7 October 2021**.

Yours sincerely,

**Barry Kashambo**  
Regional Director
