**1. INTRODUCTION**

1.1. This paper identifies relevant tasks and propose a work program for Steering for the upcoming year 2023.

**2. DISCUSSIONS**

2.1. VOLCEX/SG1 developed a list of 17 tasks contributing towards the overall work plan and objectives of the group for 2022/2023.

2.2. The future work program is developed based on the identified tasks as provided in Appendix 1 to this paper.

**3. ACTIONS BY THE MEETING**

3.1. The meeting is invited to:

- a) note the information contained in this paper;
- b) review and revise the task list and work program at **Attachment 1 and 2** to this paper as necessary; and
- c) forward the work program to the IIM/SG5 for further review.
