- 
- **Overview of Voluntary Funds**
  - **Thematic Funds**

# Voluntary Contributions

**FUNDING TO COMPLEMENT  
UNFUNDED ACTIVITIES OF THE  
REGULAR BUDGET**

**TRANSFORMATIONAL OBJECTIVES**

**IMPLEMENTATION SUPPORT**

# Types of Voluntary Contributions

Un-earmarked contributions that can be used to fund any type of projects or activities identified by ICAO; and

Earmarked contributions that are intended for a specific new or existing projects. These projects may be earmarked by a Donor for a specific State, region and/or topic.

# Criteria for Using Voluntary funds

## ICAO Resource Mobilization Policy

funds are used following ICAO Financial Regulations

funds are used as agreed/specified by Donor (earmarked)

funds are utilized by ICAO and are not provided to a third party (i.e. international or regional organization) to provide something or receive something

ICAO does not provide assistance to a State through another entity.

# Thematic Funds

Voluntary Funds used to provide support to address safety, security and air navigation needs

No Country Left Behind (LDCs, LLDCs, SIDs)

Projects follow Implementation Support Policy

One-ICAO Approach

Online Platform for Project Proposals

Funding used to implement projects

Deployed by Regional Offices, ANB or CDI
