The following circular is hereby promulgated by Flight Information Services for Somalia (FISS), for information, guidance and necessary action.

AIM/AIS data Subscription form

Dear Subscribers

As part of our quality process and with purpose of ensuring adequacy, availability and timeliness of aeronautical information and data. We would like to inform you that we have developed AIP/MAP/NOTAM subscription system, of which we are intended to distribute the information via email, the current system will be free of charge as usual till another policy comes out.

Regard with that kindly provide the following information and send it back to us through email Ainformationservice@fp.icao.int

- 1) Name of the organization/user
- 2) address
- 3) Phone number
- 4) Emails
- 5) Contact person

The new system is intended to enhance the level of services we provide thus aeronautical information/data will reach to the users on time and adequacy and availability of AIS will be improved.
