➤ INTRODUCTION

This list has been prepared for your guidance in making your hotel reservations. While we have tried to compile as much information as possible, it should be noted that ICAO cannot guarantee the prices or the quality of the services offered. Please be advised that we cannot make hotel reservations for you.

➤ CONFIRMATION / CANCELLATION OF HOTEL RESERVATIONS

Due to the high occupancy rates of hotels in Paris throughout the year, reservations should be made early (and always prior to your departure). **Reservations** must be confirmed **in writing** as soon as possible, including credit card details. **Cancellations** made by telephone must be confirmed **in writing at least 72 hours** in advance (otherwise you will have to pay the "unused" reservation). **Late arrivals** should be notified to secure your room.

➤ PREFERENTIAL RATES FOR DELEGATES

Some hotels offer special rates to delegates attending meetings at ICAO. When booking accommodation at these hotels, **please quote the special ICAO/OACI rate**. Please note, however, that **special rates do not apply during exhibition periods**.

➤ DIAGRAM SHOWING DISTRICTS (ARRONDISSEMENTS) OF PARIS

Paris is divided by Seine river into two major areas: the Right Bank (Rive Droite), the main financial district. The Left Bank (Rive Gauche) is traditionally the home of artists and galleries. Paris is also divided into 20 districts ("arrondissements", having their own class and character) starting with 1 in the centre of the city and spiralling outward, clockwise. The postal address begins with 750. The last two digits give you the arrondissement (75008 is the 8th). On streets perpendicular to Seine, the numbers begin at the river. On streets parallel to the Seine the numbers increase from East to West.
