

NAT OPS BULLETIN

Serial Number: **2013-002**

Issued: 29 April 2013

Subject: “Track Wise”– Targeting Risk within the Shanwick OCA

Publication of “Track Wise – Targeting Risk within the Shanwick OCA”

- a) In **October 2012**, National Air Traffic Services (**NATS**) completed a new publication of an interactive DVD entitled “*Track Wise – Targeting Risk within the Shanwick OCA*” This new DVD is produced and funded by NATS, the ANSP providing air traffic control services in the Shanwick Oceanic Control Area (OCA), in collaboration with the Safety Partnership Agreement (whose membership includes airlines based in the United Kingdom, Europe and the United States).
- b) The DVD presents the progress of a westbound flight through the Shanwick OCA and while the operational procedure elements are specific to Shanwick the majority of the DVD considers issues common to the whole ICAO NAT Region.
- c) “Track Wise” is available for free to all interested parties, including aircraft operators, ANSPs, regulators and professional organizations. The content of the DVD is available on YouTube via the following link: <http://www.youtube.com/watch?v=EJTjwW5ZYas>
- d) A link to this video has been placed on the ICAO EUR/NAT website (www.paris.icao.int) on the page for NAT Region documents:

NOTICE

NAT Ops Bulletins are used to distribute information on behalf of the North Atlantic Systems Planning Group (NAT SPG). The material contained therein may be developed within the working structure of the NAT SPG or be third party documents posted at the request of a NAT SPG Member State. A printed or electronic copy of this Bulletin, plus any associated documentation, is provided to the recipient as is and without any warranties as to its description, condition, quality, fitness for purpose or functionality and for use by the recipient solely for guidance only. The information published by ICAO in this document is made available without warranty of any kind; the Organization accepts no responsibility or liability whether direct or indirect, as to the currency, accuracy or quality of the information, nor for any consequence of its use. The designations and the presentation of material in this publication do not imply the expression of any opinion whatsoever on the part of ICAO concerning the legal status of any country, territory, city or area of its authorities, or concerning the delimitation of its frontiers or boundaries.

The NAT OPS Bulletin Checklist available on www.paris.icao.int (EUR & NAT Documents, NAT Documents), contains an up to date list of all current NAT Ops Bulletins.

There is no objection to the reproduction of extracts of information contained in this Bulletin if the source is acknowledged.
