Subject : **Invitation to the ICAO Aviation Data and Analysis Seminar**
(Paris, France, 29-31 May 2024)

Action
required : para 4 refers

Dear Madam/Sir,

1. I wish to invite you to the ICAO Aviation Data and Analysis Seminar to be held in the ICAO EUR/NAT Office in Paris, France, from 29 to 31 May 2024.

2. ICAO has developed advanced dashboards to monitor and assess key trends in air transport. These tools encompass a wide array of analytics ranging from operations to financials including evolution of passenger and cargo traffic, aircraft fleet usage, traffic by Flight Information Region (FIR), and revenue impact on airlines, airports and navigation services providers (ANSPs). The objective of the Seminar is to bring together all stakeholders (regulators, ANSPs, aerodrome and aircraft operators, international organization and industry) to review the current situation and trends of aviation in the EUR/NAT area. It will also focus on the latest ICAO big data analysis in aviation and forecasting techniques, as well as the progress in the area of the global aviation competitiveness index. The use of civil aviation data analysis for planning and decision making in ICAO, national administrations, airlines, airports and ANSPs will also be addressed.

3. Taking into consideration the scope of the Seminar, it is strongly recommended that your delegation includes experts from the regulators, operators and service providers involved in the economic planning, analysis and policy making. The provisional programme is enclosed in **Attachment A**. Practical information about the venue and administrative arrangements is available on the ICAO Website <https://www.icao.int/EURNAT/Pages/Practical-Information.aspx>

4. I would appreciate if you could, as soon as possible and preferably not later than **3 May 2024**, confirm your participation by e-mail to Ms.Florence Benjamin at fbenjamin@icao.int using the Nomination Form provided in **Attachment B**.

Nicolas Rallo
Regional Director
European and North Atlantic Office

Attachment A – Provisional Programme

ICAO Aviation Data and Analysis Seminar

29-31 May 2024, Paris, France

Objectives

The Seminar will provide an opportunity to foster the dialogue between the States, international organizations and aviation stakeholders on the use of aviation data and analysis to facilitate data-driven decision making.

The Seminar will also provide participants with an opportunity to learn about the new ICAO data and analytics solutions for monitoring and assessing key trends in air transport. The ICAO data solutions encompass a wide array of analytics ranging from operations to financials, including evolution of passenger and cargo traffic, aircraft fleet usage, traffic by Flight Information Region (FIR), and revenue impact on airlines, airports and air navigation services providers (ANSPs).

Day 1 – 29 May 2024	
09:00-09:30	Registration of Delegates
09:30-10:00	Welcome remarks by ICAO
10:00-10:30	Tea/Coffee Break
10:30-10:45	Group photo
10:45-12:00	Presentation of key trends in air transport by ICAO
12:00-13:30	Lunch
13:30-14:30	Presentation and hands-on training on ICAO Applications <ul style="list-style-type: none">- ICAOData+- Aero-Tariffs (airport and air navigation services charges)- Economic impact analysis (airlines, airport, ANSP) Presented by ICAO
14:30-15:30	ICAO Long-Term Traffic Forecasts Presentation of the latest ICAO Forecasting results, methodology and application
15:30–16:00	Industry solution (open) Or States’ corner States of the EUR/NAT region are invited to share their experience of using data and analysis for informed policy making to sustain the growth of air transport

Distribution: ICAO EUR/NAT States of accreditation

Tel.: National 01 46 41 85 85
International +33 1 46 41 85 85

Fax: National 01 46 41 85 00
