- RASG-MID Steering Committee Terms of Reference

1. INTRODUCTION

1.1 The Terms of Reference of the RASG-MID Steering Committee (RSC) stipulate that the RSC proposes the RASG-MID work programme.

1.2 The RASG-MID work programme for 2014 will be prepared by the RSC and presented to the RASG-MID annual meeting in January 2014 for adoption.

2. DISCUSSION

2.1 The meeting may wish to recall that the RASG-MID 2013 Work Programme included, in addition to the activities targeted toward the identified Focus Areas, supporting activities related to SSP/SMS as well as Accident and Incident Investigation. The RASG-MID/2 meeting agreed that the safety support activities would be monitored by the MID-SST.

2.2 The RASG-MID 2013 Work Programme split into two parts. The first part will reflect only the RASG-MID events (involving all RASG-MID members and partners); while the second part reserved to the list of other events taking place in the MID Region but involving a limited number of States or a different community.

2.3 Based on the inputs received from the safety partners in the Region, the Schedule of 2014 safety events is consolidated as shown at **Appendix A** to this working paper.

3. ACTION BY THE MEETING

3.1 The meeting is invited to:

- a) review and update, as appropriate, the Schedule of 2014 safety events at **Appendix A** to this working paper; and
- b) urge all stakeholders to support the RASG-MID Work Programme for 2014 and avoid duplication of efforts.
