Summary

Obligations of States: Articles 11, 14, 22, 23, 24, 35, 37, 38

Obligations of Users: Articles 10, 11, 13, 29, 35

Obligation of ICAO: [Adopt] & Amend Annex

<http://www.icao.int/publications/Pages/doc7300.aspx>

Question: “What is facilitation”?

Facilitation is the **efficient** management of **border control processes** to expedite clearance (of aircraft, passengers/crew, baggage, cargo) and prevent unnecessary delays.

→ Immigration, Customs, Health, Quarantine

B. RESOLUTIONS OF THE ICAO ASSEMBLY

A39-20

Consolidated statement of continuing ICAO policies related to facilitation

Appendix A: Development and implementation of facilitation provisions

- States: increase efforts to implement Annex 9 SARPs
- States: give due regard to Doc 9984 (PWD Manual)
- Council: ensure Annex 9 is current and addresses the contemporary requirements of States

Appendix B. National and international action in ensuring the security and integrity of traveller identification & border controls

- 5 elements of traveller identification & border management
- States: implement a robust identification management system to safeguard the security & integrity of the travel document issuance process
- States: ensure that non-machine readable passports are withdrawn from circulation
- States: ensure that MRCTDs are machine readable
- States urged to join ICAO PKD
- States to provide input to Interpol's Stolen & Lost Travel Document Database

Appendix C: National and international action and cooperation on facilitation matters

- States: establish national facilitation committees
- States: call upon aircraft and airport operators to participate in electronic data interchange systems: cargo traffic
- States: facilitate assistance to aircraft accident victims and their families
- Handling & clearance of air cargo; security of the international supply chain

Appendix D: Passenger Data Exchange Systems

- States: call upon aircraft operators to provide advance passenger information
- States: to ensure that the passenger data requirements conform to international standards adopted by relevant United Nations agencies
- States: to assist and share best practices with other Member States in the establishment of passenger data exchange systems

- A35-12 (2004): “**Protection of the health** of passengers and crews and prevention of the spread of **communicable disease** through international air travel”
 - Increase in worldwide transmission of communicable diseases by means of air transport
 - Council requested to review existing SARPs & develop new SARPs
 - States urged to implement SARPs
- A36-21 (2007): “Preventing the introduction of invasive alien species”
 - International civil transportation represents a potential pathway for the introduction of **invasive alien species**
 - States urged to support one another’s efforts to reduce the risk of introducing potentially IAS to areas outside their natural range

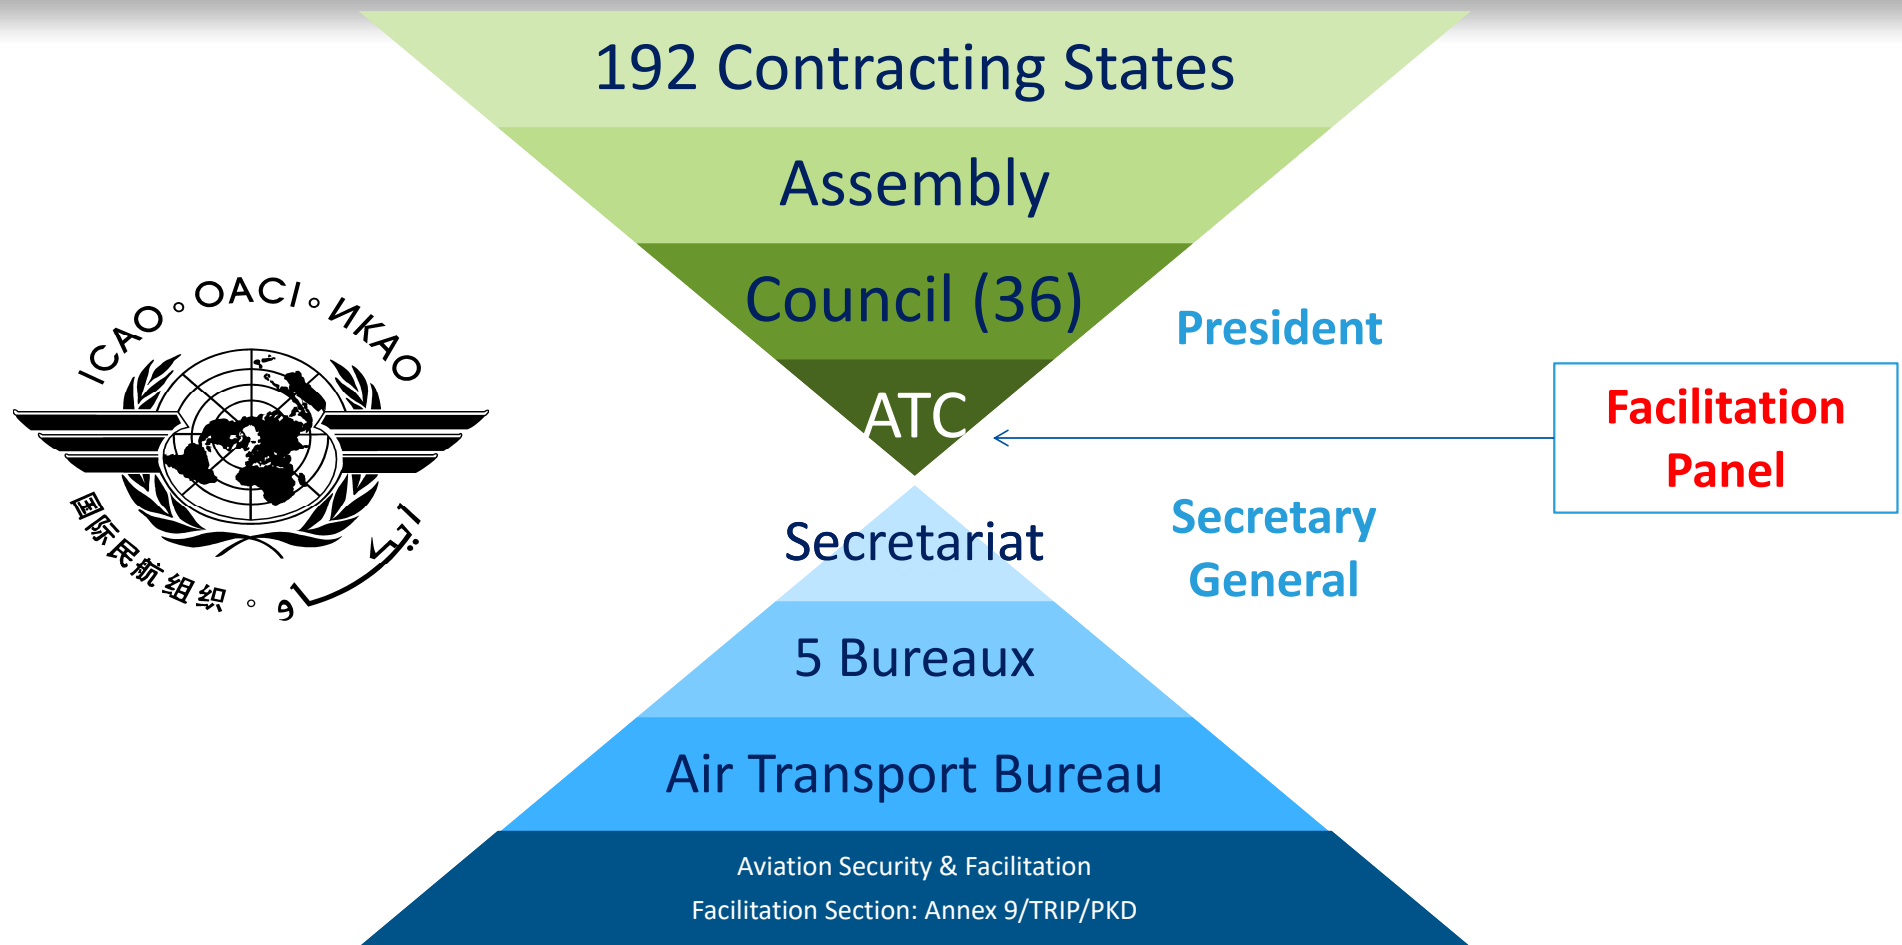

- A37-13 (2010): “Prevention of spread of **communicable disease** through air travel”
 - States urged to develop national preparedness plan & join the CAPSCA project
- A39-27 (2016): “Assistance to **victims of aviation accidents** and their families”
 - States urged to establish legislation (etc.) . . . Annex 9
 - States urged to inform ICAO, through CC in EFOD, of level of implementation of Annex 9 [RP 8.46]

- A39-18: Consolidated statement: ICAO policies related to aviation security
 - ▶ **Appendix C** (Implementation of technical security measures):
 - (Importance of MRTDs highlighted)
 - Use of MRTDs and other passenger information tools can also be employed for security purposes . . . before aircraft boarding process
 - States urged to implement security-related provisions of Annex 9
 - States called upon to use of API to strengthen aviation security & reduce the risk to passengers
- A37 Declaration on Aviation Security

States . . . promote the use of cooperation mechanisms . . . for early detection and dissemination of information on security threats . . . through the use of API and PNR as an aid to security

C. COUNCIL

Article 50: The Council shall be a permanent body responsible to the Assembly.

Article 54 (Mandatory functions of Council):

→ Appoint and define the duties of an Air Transport Committee

→ Adopt . . . **international standards and recommended practices**;

for convenience, designate them as Annexes to this Convention; and notify all contracting States of the action taken.

- Council, 11 May 2009: Outbreak of the Influenza A(H1N1) (“Swine flu”)
 - Secretary General to review the provisions of Annex 9
 - FALP/6 (2010)
 - April 2011 (Amendment 22 to Annex 9)
- ATC, 1995: Established the Facilitation Panel →→→

PART II: FACILITATION PANEL & ANNEX 9 AMENDMENT PROCESS

32 Members of FAL Panel

- 3 NACC, 2 ESAF, 3 WACAF, 3 SAM, 8 APAC, 4 MID
- **4 MID: Egypt, Qatar, Saudi Arabia, United Arab Emirates**
- States as Observers
- IATA, ACI: Permanent Observers

→ FALP/10, 10-13 September 2018, Montreal
