Sir,

I have the honour to invite your Administration/Organization to attend the Global Reporting Format (GRF) Methodology Webinar: GRF Benefits and Implementation Challenges starting, at 12:30 UTC on **27 October 2020**.

The objective of the GRF Webinar is increasing awareness of related personnel of all stakeholders (Airports, ANSPs, Airlines) in advance of the November 4th, 2021 applicability date of the new ICAO methodology for assessing and reporting runway surface conditions aimed to significantly reduce the risks associated with runway contamination which is one of the leading contributing factors of runway excursions.
