10 December 2019

**Subject: Regional Upset Prevention and Recovery Training (UPRT) Workshop
(Jeddah, Saudi Arabia, 3 - 6 February 2020)**

Action required: Register Participants by 29 December 2019

Sir/Madam,

I have the honour to inform you that Saudi Arabia is generously hosting an ICAO Upset Prevention and Recovery Training (UPRT) Workshop and kindly extends the invitation to the Region. The Workshop will be gratefully supported by and held in the premises of the General Authority of Civil Aviation (GACA) and Prince Sultan Aviation Academy, **Jeddah, Saudi Arabia, from 3 to 6 February 2020.**

The objective of the Workshop is to familiarize participants with UPRT new requirements and its implementation and to provide pilot participants with a hands-on demonstration of UPRT in a Flight Simulation Training Device (FSTD). The pilots wishing to participate in the FSTD demonstration will need to indicate this on the registration form and provide a copy of their passports for security purposes.

This Workshop is essential to enhance flight operations safety and addressing the Loss of Control In-flight (LOC-I) which remains number one killer globally and regionally in term of fatal accidents, and being addressed as one of the top priority by ICAO through the Global Aviation Safety Plan (GASP) and regionally within the RASG-MID framework.

The intended audience for the Workshop includes regulators and inspectors involved in the oversight of UPRT; commercial air operator pilot instructors, managers and pilots; and training organizations managers and instructors. There will be no charge for the Workshop; however, attendees or their organization are expected to fund their travel, accommodation and living expenses.

./..

Considering the limited number of seats available, it would be appreciated if you could, as soon as possible, preferably not later than **29 December 2019**, confirm the participation of your Administration/Organization giving the names and contact details of your delegate(s), by submitting the Nomination Form at **Attachment A** to the following email address (mridwan@gaca.gov.sa) and (icaomid@icao.int). Further information will be provided to the confirmed participants including the final Provisional Agenda for the Workshop in due course.

Accept, Sir/Madam, the assurances of my highest consideration.

Mohamed Khalifa Rahma
