# CAE

We equip a diverse workforce in critical roles with the expertise and solutions to create a safer world. As a technology company, we digitalize the physical world, deploying software-based simulation training and critical operations support solutions.

## Mission-Driven Innovation

Leading future technologies with AAM as a key focus.

## Strategic AAM Partnerships

CAE's global leadership in training has attracted public agreements with five key AAM OEMs, reinforcing our role in advancing the industry.

## Expert Leadership

## & Talent Development

Advancing CAE's mission by attracting the right talent, strengthening our workforce, while enhancing employees value proposition and retention strategies to meet future demands, including AAM.
