Although special care should be taken not to lose these badges, registration personnel will provide replacements upon proper identification.

Delegate/visitor access to Office Tower

Access to the office tower for delegates must be requested from ISEC by National Delegations. Additionally, a list of delegates visiting National Delegations should be sent on a daily basis to the ISEC Section (ISEC@icao.int).

Special philatelic envelope

On the occasion of the 37th Session of ICAO Assembly, a special philatelic envelope will be issued as shown below, the postmark of which was prepared in cooperation with Canada Post Corporation.

Some particularities of this cover need to be highlighted:

1. The stamp is a first, since this is the first time in history that the emblem of the Organization, as represented on its flag, is depicted on a postage stamp.

2. The text is printed in green, referring to one of the main topics of discussion during this Session of the Assembly, i.e. the environment. On the other hand, the central part of figure 37 is designed from a selection of drawings by children submitted during the competition on the theme of Aviation in a Green Environment, held at ICAO in 2009 for the World Environment Day.

3. The bottom frame commemorates the 100th anniversary of the first flight over Montréal by Count Jacques de Lesseps on 2 July 1910 with his Bleriot XI named "Le Scarabée", during the first-ever air show held in Canada.

This exceptional cover can be purchased for Can$5.00 from the Staff Association boutique, located at level A in the Conference Centre, during the Assembly. This scarce cover has been printed in limited quantities (First come, first served); maximum two covers per buyer. However, additional covers with the regular Canadian stamp will also be available at the Boutique at Can$3.00.
