Yesterday's meetings

First Plenary Meeting

The session was officially opened by the President of the Council, as Temporary President of the Assembly, at the First Plenary Meeting held at 1100 hours on 28 September 2010. The Assembly was honoured by the presence of three distinguished guests, all of whom addressed the meeting: the Honourable Jean Charest, Premier of Quebec; Mr. Gérald Tremblay, Mayor of the City of Montréal; and the Honourable Chuck Strahl, Minister of Transport, Infrastructure and Communities, representing the Government of Canada.

After the departure of the guests, the Plenary adopted the Agenda reproduced in WP/1, Revision No. 2.

The Temporary President announced that election to the Council in the first and second parts would be held on Saturday, 2 October 2010, at 0900 hours. The deadline for notification of candidatures, which should be submitted in writing to the Secretary General, was set for 1230 hours, Thursday, 30 September 2010. Notifications of candidatures for election to the Council in the third part, which are receivable only after the completion of the election in the first and second parts, should be submitted in writing to the Secretary General during the forty-eight hour period beginning at the close of the meeting on Saturday, 2 October 2010, and ending at that time on Monday, 4 October 2010. The election of the Council in the third part will take place in the afternoon of Tuesday, 5 October 2010. The maximum number of Contracting States to be represented on the Council was set as follows: Part One – 11 States; Part Two – 12 States; and Part Three – 13 States.

On the basis of a proposal presented by the Council in WP/8, the Assembly approved an amendment to Section IX (Voting on election of the Council) of the Rules of Procedure to allow the use of an electronic voting system for Council elections, with the understanding that manual votes would remain as a fall-back option.

The Plenary established the Executive and Credentials Committees. The Temporary President requested the Delegations of Cambodia, Kuwait, Panama, Slovakia and Uganda to designate one member of their delegations to sit on the Credentials Committee. The Committee would meet immediately following the First Plenary Meeting. The Plenary also established the Technical, Economic, Legal and Administrative Commissions, as well as the Co-ordinating Committee.

The Plenary then returned to the above-mentioned agenda reproduced in WP/1, Revision No. 2, and referred agenda items 10 to 22 to the Executive Committee; items 23 to 46 to the Technical Commission; items 47 to 54 to the Economic Commission; items 55 to 62 to the Legal Commission; and items 63 to 75 to the Administrative Commission.

Six States had submitted credentials but had not yet registered. Of 32 observer delegations registered, 29 had presented proper credentials. Two observer delegations had submitted credentials but had not yet registered.

The Committee recommended that the Assembly urge all States and organizations that had not yet presented proper credentials to do so as soon as possible and, for the time being, to permit them to participate in its deliberations, with the delegations from the Contracting States having the right to vote. The Plenary approved the Interim Report of the Credentials Committee as presented.

Special philatelic envelope

On the occasion of the 37th Session of ICAO Assembly, a special philatelic envelope will be issued as shown below, the postmark of which was prepared in cooperation with Canada Post Corporation.

Some particularities of this cover need to be highlighted:

1. The stamp is a first, since this is the first time in history that the emblem of the Organization, as represented on its flag, is depicted on a postage stamp.
2. The text is printed in green, referring to one of the main topics of discussion during this Session of the Assembly, i.e. the environment. On the other hand, the central part of figure 37 is designed from a selection of drawings by children submitted during the competition on the theme of Aviation in a Green Environment, held at ICAO in 2009 for the World Environment Day.
3. The bottom frame commemorates the 100th anniversary of the first flight over Montréal by Count Jacques de Lesseps on 2 July 1910 with his Bleriot XI named "Le Scarabée", during the first-ever air show held in Canada.

This exceptional cover can be purchased for Can\$5.00 from the Staff Association boutique, located at level A in the Conference Centre, during the Assembly. This scarce cover has been printed in limited quantities (First come, first served); maximum two covers per buyer. However, additional covers with the regular Canadian stamp will also be available at the Boutique at Can\$3.00.
