Subject: Assistance in the field of aviation war risk insurance – Establishment of a global scheme: Extension of time-limit for reply

Action required: Reply by 15 October 2002 –
See paragraph 3 below

Sir/Madam,

1. I have the honour to refer to State letter LE 4/64-02/55 dated 6 June 2002 inviting all Contracting States to participate in a **global aviation war risk insurance scheme** and to advise me by 19 July 2002 at the latest whether your State intends to participate.
2. A number of Contracting States have advised that the time-limit of 19 July 2002 would not be sufficient to reach a decision on this matter.
3. Therefore, the **time-limit** by which a reply to the above-mentioned State letter should be provided is hereby **extended to 15 October 2002**.

Accept, Sir/Madam, the assurances of my highest consideration.
