

- ## 1. INTRODUCTION:-

- c) submit to GREPECAS/12 these documents that form part of the guide for the implementation of an AIS/MAP Quality System for their adoption and subsequent delivery to the CAR/SAM States.

2. DISCUSSIONS:-

- 2.1 Work in this area is ongoing in order that a report on the status of implementation can be forwarded to the NACC and SAM Regional Offices, by 31st March 2005.
- 2.2 In order to achieve this, Trinidad and Tobago will ensure that all comments on, and possible modifications to the Guidance Material for the implementation of a Quality System for AIS referred to at 1.2 above, are forwarded to the AIS/MAP Quality Management Task Force no later than 31st July 2004, with a view to preparing the CAR/SAM version of these documents.
- 2.3 In addition, Trinidad and Tobago noted at the 8th meeting of the AIS/MAP/SG, Lima, Peru 24th to 28th March 2003, that Cuba has completed their Quality Assurance Programme and will be seeking their technical assistance to complete this programme.

3. SUGGESTED ACTION:

- 3.1 The meeting is requested to note and formulate comments.
