## 7. **Other Useful Information**

7.1 Time in Thailand is 7 hours ahead of Co-ordinated Universal Time (UTC+7).

7.2 International credit cards such as American Express, Diners Club, Visa, Master Card, etc. are normally accepted at major hotels and department stores.

7.3 All commercial banks exchange major foreign currencies and are open from 0830 to 1530 from Monday through Friday and some keep the foreign exchange counter open until 2000 hours during weekdays. Foreign exchange counters operated by various commercial banks are located at several places in the city and are also open during Saturdays and Sundays and on public holidays from 1000 to 2000 hours. To change travellers' cheques you are required to show your passport.

7.4 Bangkok is generally hot with high humidity. Day temperatures range above 30°C while at night they remain above 21°C. Weather conditions vary during the country's three seasons:

- the hot season from March-May, when the temperature often approaches 38°C and humidity remains high;
- the wet season from June-October, when the temperature is rather lower but the weather is quite sticky;
- the cool season from November-February, when the temperature is more moderate.

7.5 Tropical or lightweight and washable cottons will suffice and woollens are not necessary.

7.6 Most hotels add a 10% service charge to the room rate in addition to the government tax of 7%. Baggage boys at hotel expect at least Baht 20. At restaurants, a tip of about 10% is expected unless a service charge has been added to the bill.

7.7 Although the tap water in Bangkok is chemically treated, it is, however, recommended that the visitors drink only bottled water and beverages.
