Agenda Item 6: Develop Future Work Programme

Report of coordination meeting between Chairmen of Sub-groups

Task Forces and other contributory bodies

6.1 The meeting noted that an informal meeting of the Chairpersons of the Sub-groups was held with a view to coordinate activities. A list of contributory bodies to APANPIRG and other groups was presented for review with a view to dissolving those contributory bodies that were not able to usefully continue or had completed their tasks.

6.2 Since it was not practical for the meeting to review the list presented, it was decided that the Regional Office would review the list and the Secretariat would coordinate with Sub-groups and finalize the list. In view of the foregoing the meeting agreed that a coordinated list should be presented to the APANPIRG/16 meeting in 2005 for consideration.

Participation by suitable experts at multidisciplinary Task Forces

6.3 The meeting noted that appropriate experts should be nominated to attend the ICAO meetings particularly the multidisciplinary Task Force meetings. It was agreed that the need to nominate suitable experts would be emphasized in the letter of invitation to such Task Force meetings.
