**FORMAT “HANDOVER BETWEEN RCC’S”**

(Presented by Sweden)

**SUMMARY**

This document proposes an additional appendix, a format for “Handover between RCC’s”.

Action by the ICAO/IMO JWG is in paragraph 2, proposal for an additional format to Volume II, Appendix I; and paragraph 3, proposal to additional text in Volume II, paragraph 3.6.5.

Related documents: *International Aeronautical and Maritime Search and Rescue (IAMSAR) Manual* and Volume II — *Mission Co-ordination* (Doc 9731), paragraph 3.6.5.

**1. INTRODUCTION**

1.1 *International Aeronautical and Maritime Search and Rescue (IAMSAR) Manual* and Volume II — *Mission Co-ordination* (Doc 9731), paragraph 3.6.5 includes a general description of transferring the coordination of a SAR operation to another RCC.

1.2 This working paper present a format for the handover procedure between RCC's that can be used to pass information between RCC's about a particular SAR incident that is coordinated by one RCC and is decided to be transferred to another RCC. The format aims at facilitate and secure details in the handover procedure. The format "Handover between RCC's" is based on the SITREP format as part of the format includes similar information and can be placed in the same appendix.
