The Assembly lapel badge, which is issued to each participant upon registration, will serve as building security pass and permits access to the Conference Centre and the office tower. Special philatelic envelope

On the occasion of the 36th Session of ICAO Assembly, a special philatelic envelope will be issued as shown below, the postmark of which was prepared in cooperation with Canada Post Corporation.

The postage stamp used on the envelope was one of the first new non-denominated stamps released by Canada Post on 16 November 2006. It bears a new icon, the letter "P" within a maple leaf; this icon indicates that the stamp is PERMANENT and valid indefinitely. The stamp features the striking spotted coralroot (*Corallorhiza maculata*). This member of the orchid family grows in deeply shaded, wooded areas from Newfoundland to British Columbia, and blossoms in mid-summer.

The cachet on the left-side reproduces the pure wool tapestry *Man in Flight* hanging behind the chair of the President in the ANC Chamber; it was donated to ICAO by Romania in 1976 and represents the winged mythological figure Icarus with the symbols of ICAO and the United Nations in the background of concentric curves that suggest the propagation of waves into space.

This exceptional cover can be purchased for Can \$3.00 from the Staff Association boutique, located at level A in the Conference Centre, during the Assembly.
