Moderator: Vijay Poonosamy, Vice President, International and Public

Affairs, Etihad Airways & President, Hermes Air Transport Club

What do air transport stakeholders expect to gain from cargo liberalization? How can logistics connectivity be improved in order to increase trade and enhance economic growth and prosperity? What is the role of customs in air cargo transportation, including one-stop clearance, duty-free aviation oil, authorized entrance port for special commodities? What challenges must be met to ensure that all participants benefit from cargo liberalization? What are the areas of priority for future actions?

Speakers:

- **Angela Gittens**, Director General, Airports Council International (ACI World)
- **Zhao Huxiang**, Senior Vice President, International Federation of Freight Forwarders Associations (FIATA); Chairman of Sinotrans & CSC
- **Enno Osinga**, Vice Chairman, The International Air Cargo Association (TIACA); Senior Vice President, Amsterdam Airport Schiphol
- **Wu Tongshui**, Vice Chairman, China Air Transport Association(CATA); President, Civil Aviation University of China(CAUC)

1145-1200 **Question and Answer Period**

1200-1430 **Lunch Break**

1430-1515 **SESSION 2—*Working Towards a New Regulatory Framework for International Air Cargo (Panel discussion)***

Moderator: Vladimir Zubkov, Vice-President, Volga-Dnepr Group of Companies; Member, The International Air Cargo Association (TIACA) Board of Directors

The international air cargo community now has an objective to work towards international agreements for the liberalization of air cargo services: how can regional/plurilateral approaches provide a foundation for global liberalization? What role can governments play in the development of air cargo transportation through the entering of bilateral - including Open Skies - agreements, the granting of seventh freedom traffic rights and the continuous optimization of air navigation services and air traffic management?

Speakers:

- **Han Jun**, Director General, International Affairs Department, Civil Aviation Administration of China (CAAC)
- **Zhu Gaozhang**, Director, Compliance and Facilitation, World Customs Organization (WCO)
- **Boubacar Djibo**, Director, Air Transport Bureau, International Civil Aviation Organization (ICAO)
- **Glyn Hughes**, Global Head of Cargo, International Air Transport Association (IATA)
- **Andrew Herdman**, Director General, Association of Asia Pacific Airlines (AAPA)
- **Wang Feng**, Director General, Market Supervision & Inspection Department, State Post Bureau of China

1515-1530 **Question and Answer Period**

1530-1600 **Coffee/Tea Break**

1600-1730 **SESSION 3—*Logistics Integration Model: An Industry Perspective* (Panel discussion)**

Moderator: Alain Lumbroso, Economist, Joint Transport Research Centre of the International Transport Forum and OECD

How can air cargo adapt and modernize to improve cost-effectiveness and efficiency? How to overcome restrictions preventing the air cargo industry from reaching its potential? How to ensure that air cargo complies with the need for efficiency and security, while moving towards paperless operations from both airline and airport perspectives? Which lessons should be learned from integrators?

Speakers:

- **Li Jiupeng**, President, Eastern Airlines Logistics Co., Ltd.
- **Li Sheng**, Vice President, SF Express Group; President, SF Airlines Co., Ltd.
- **James Woodrow**, Director Cargo, Cathay Pacific
- **Denis Ilin**, Executive President, AirBridgeCargo Airlines
- **Cai Hao**, General Manager, Shanghai Airport Authority Investment Management Company; General Manager, Shanghai Pudong International Airport Cargo Terminal Co., Ltd
- **Markus Kopp**, CEO, Mitteldeutsche Airport Holding

1730-1745 **Question and Answer Period**

1745-1800 **Summary Remarks and Administrative Announcements**

1800-2000 **Official Dinner**

Day 3 – Thursday, 4 September 2014

0900-1015 **SESSION 4—*Enhancement of Cargo Security and Facilitation* (Panel discussion)**

Moderator: Enno Osinga, Vice Chairman, The International Air Cargo Association (TIACA); Senior Vice President, Amsterdam Airport Schiphol

How to reconcile operational and business initiatives in addressing current security threats while facilitating the movement of goods through the supply chain? What additional developments would need to be proposed regarding the implementation of the air cargo secure supply chain? How does security contribute to e-cargo projects? What tools and processes can support the facilitation of air cargo throughout its journey in the supply chain?

Speakers:

- **Daniel Cortez**, Chief Security Officer, Universal Postal Union (UPU)
- **Kazunari Igarashi**, Head, Regional Office for Capacity Building (ROCB), World Customs Organization (WCO)
- **Vladimir Zubkov**, Vice-President, Volga-Dnepr Group of Companies; Member, The International Air Cargo Association (TIACA) Board of Directors
