

Regional Air Transport Conference

Kingston, Jamaica from 7 to 9 October 2014

SUPPORTING ORGANIZATIONS

ACI Latin America and Caribbean is a regional office of ACI, which represents the interests of airports operators for the Latin-American and Caribbean. Founded in 1991, its primary objective is to promote cooperation among airport members and other air transport and civil aviation industry stakeholders. Through, this cooperation, the goal of ACI-LAC is to provide support for a secure, stable, efficient and environmentally compatible airport system. Currently, ACI-LAC has over 65 members operating more than 250 airports in 37 countries from the Latin-American and Caribbean region.

Airlines for America[®]

We Connect the World

Airlines for America (A4A), formerly known as Air Transport Association of America, Inc. (ATA), was the first and remains the only trade organization of the principal U.S. airlines.

The fundamental purpose of the association is to foster a business environment that drives our nation's economy and global competitiveness. By working with members in the technical, legal and political arenas, A4A supports measures that enhance aviation safety, security and industry well-being.

ALTA (Latin American and Caribbean Air Transport Association) is a private, non-profit organization, whose more than 30 member airlines represent over 90 percent of the region's commercial air traffic. ALTA coordinates the collaborative efforts of its members in order to facilitate the development of safer, more efficient and environmentally friendly air transport in the Latin America and Caribbean region for the mutual benefit of the association's members, their customers and the industry. Founded in 1980, ALTA is currently celebrating its 30th anniversary.

The **International Air Transport Association (IATA)** is its global trade organisation. Over 60 years, IATA has developed the commercial standards that built a global industry. Today, IATA's mission is to represent, lead and serve the airline industry. Its members comprise some 230 airlines – the world's leading passenger and cargo airlines among them – representing 93 percent of scheduled international air traffic.
