

Agenda Item 2: Cargo facilitation – Chapters 1 and 4 of Annex 9

2.7.2 The definition on “disinsecting” in Chapter 1 should be revised to read as follows:

“Disinsecting. The operation in which measures are taken to **control or kill** ~~the~~ insect vectors ~~of human disease~~ present in aircraft and in containers ~~(International Health Regulations (1969), Third Annotated Edition (1983), Part I, Article 1).~~”
