Daniel SOUHAMI
Field Operations Officer, ICAO

Daniel Souhami is a Field Operations Officer with ICAO's Technical Cooperation Bureau Project Development Unit. He works as an integral part of the team that develops all projects for TCB.

He joined ICAO/TCB in 2001 where he brought with him a wealth of knowledge in dealing with international customers where he was active in driving projects to fruition.

He draws from his many work experiences having worked at the World Bank, the Canadian Trade Commissioner Service in the Canadian Embassy in Tokyo, as well as Business Development Director in the private sector. He combined his passion for teaching, travel and culture when he took a position as English professor in Japan.

With a Master's Degree in International Relations, from the Université de Montréal as well as a Graduate Degree in International Business from McGill University, Mr. Souhami strives to develop business, commercial, and cultural relationships with people from every corner of the world.
