

## **Tidiane BAH**

### **Executive Director, Banjul Accord Group Aviation Safety Oversight Organisation (BAGASOO)**

**Capt. Bah** is an Aviation Executive and an accomplished Pilot with a wide range of academic excellence and vast experience in the industry.

He is a Guinean by birth and obtained his higher education in France and Canada with specialist training in Canada.

He is a Check Airman, Flight Instructor, Aerobatics Instructor, Civil Aviation Safety Inspector (Transport Canada) and ICAO OPS and PEL Expert.

Capt. Bah built his extensive experience in the industry from been a Chief Pilot and Director of Flight Operations at several Canadian Companies and Flight Training schools including Bombardier Aerospace and the Canadian Air forces before joining Transport Canada as Civil Aviation Safety Inspector OPS & PEL.

He also has a stint with ICAO TCB in different cooperation Projects as ICAO Expert and Project Coordinator respectively.

He is a familiar face in BAGASOO as he was amongst the pioneer team at the establishment of the Organization as the Regional Technical Coordinator Flight Operations & PEL from 2011 to 2013 on secondment from Transport Canada.

Capt. Bah is back at BAGASOO as Executive Director with the commitment to serve the Organization in partnerships and full cooperation of the BAG States to raise their Aviation Safety Levels of Effective Implementation (EI) within our Civil Aviation Authorities and ensure safety and efficiency of international civil aviation within the sub region and beyond.
