

# ICAO Aviation Green Recovery Seminar

TIME TO BUILD BACK BETTER

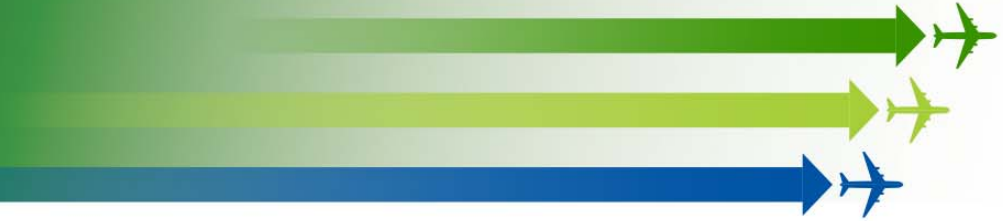

# Aviation for humanitarian action: resilience to disasters

**Bruno Vandemeulebroecke**

*Deputy Global Logistics Cluster Coordinator*

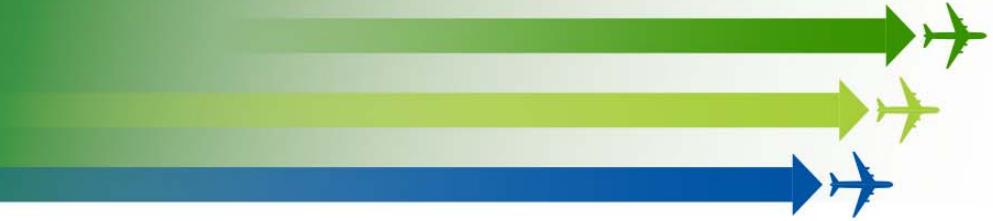

## Logistics Cluster

- Coordination
- Information Management
- Common services

## Common services

Overcome operational logistics gaps

- Capacity does not match operational requirements
- Physical access constraints
- Security access constraints

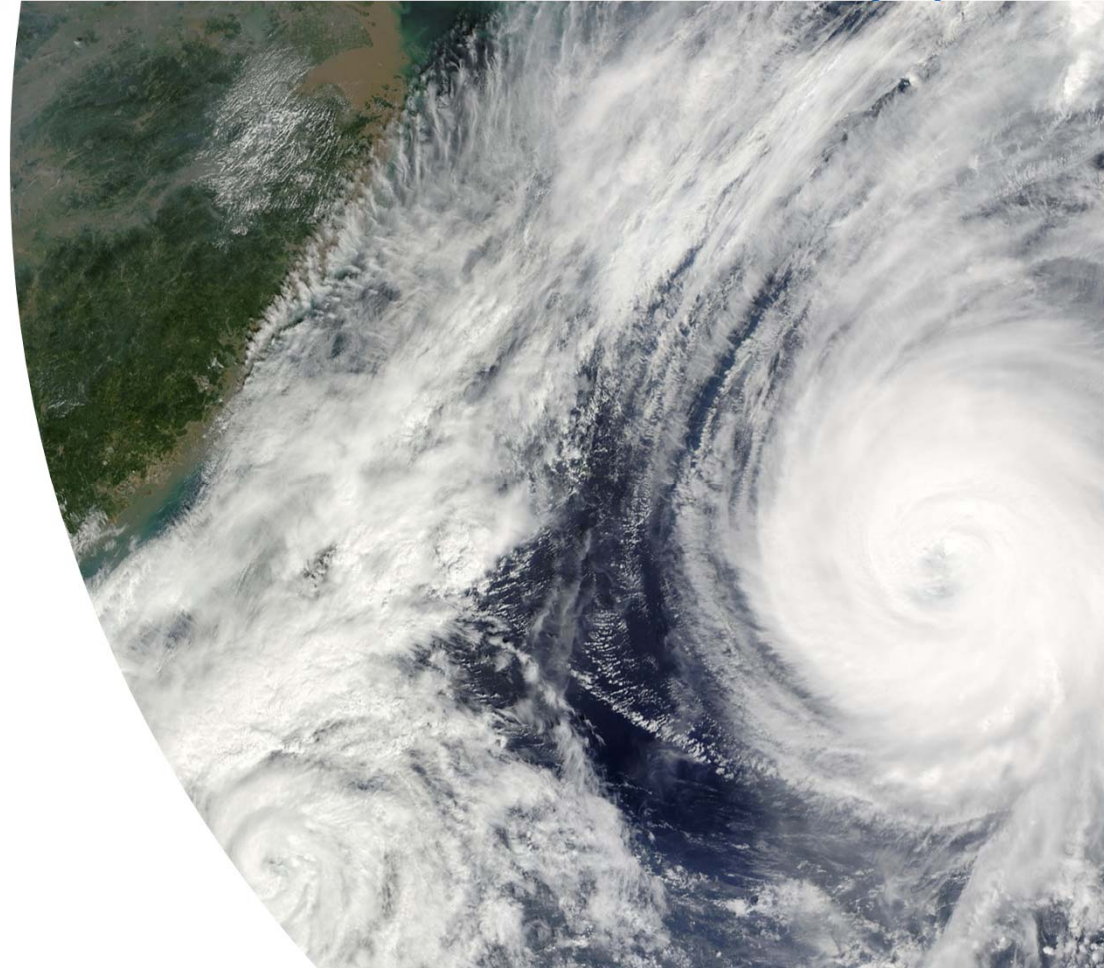

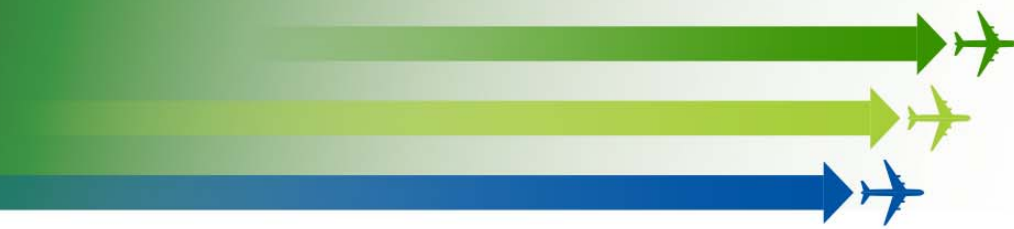

## Information management

Driver for efficient and effective responses

- Situational analysis
- Infrastructure assessment
- Planning optimization
- Response predictability
  - Organizational network connectivity
  - Digital network connectivity
  - Satellite observation
  - Aerial observation
  - Team observation

## Coordination

Efficiency gains and thought leadership

- Capacity optimization
- Knowledge exchange
- Measuring and reducing environmental impact
- Reverse logistics
