

# Invitation

On the eve of the High Level Meeting on the feasibility of a long-term aspirational goal for international aviation CO2 emissions reductions we have the pleasure of inviting you to a reception, presenting the

## International Aviation Climate Ambition Coalition

The International Aviation Climate Ambition Coalition, launched at COP26 in Glasgow (November 2021), brings together states that have committed to work together on a more ambitious climate policy for international aviation in line with the Paris agreement target to keep global warming to 1.5 degrees Celsius.
