

Xi Luhao

**HEAD OF CAPACITY PLANNING & IMPLEMENTATION,
OUTBOUND, CAINIAO GLOBAL**

John Xi joined Cainiao Global in December 2015, starting with operation management for Europe. After a year with a proven improvement in Europe service quality, he engaged himself in the Russian market, the biggest market of Aliexpress, where he achieved another success. At the end of 2017, he started his new role as head of trunkline capacity planning and implementation

John has years of experience with TNT-Hoau for Network Planning and with STO Express for international business development before he joined Cainiao. When with TNT, he was certified by the Supply Chain Master programme by TiasNimbas Business School in 2013.
