IFATCA

What does the introduction of RPAS mean to the ATM environment?

Rob Stallard

IFATCA

A question about Air Traffic Controllers & change…….

Change: The ATCOs perspective

1. Tactical and Operational Change vs Strategic (fundamental) change.

2. Controller-Pilot relationship.

3. Seamless integration (how far in reality?).

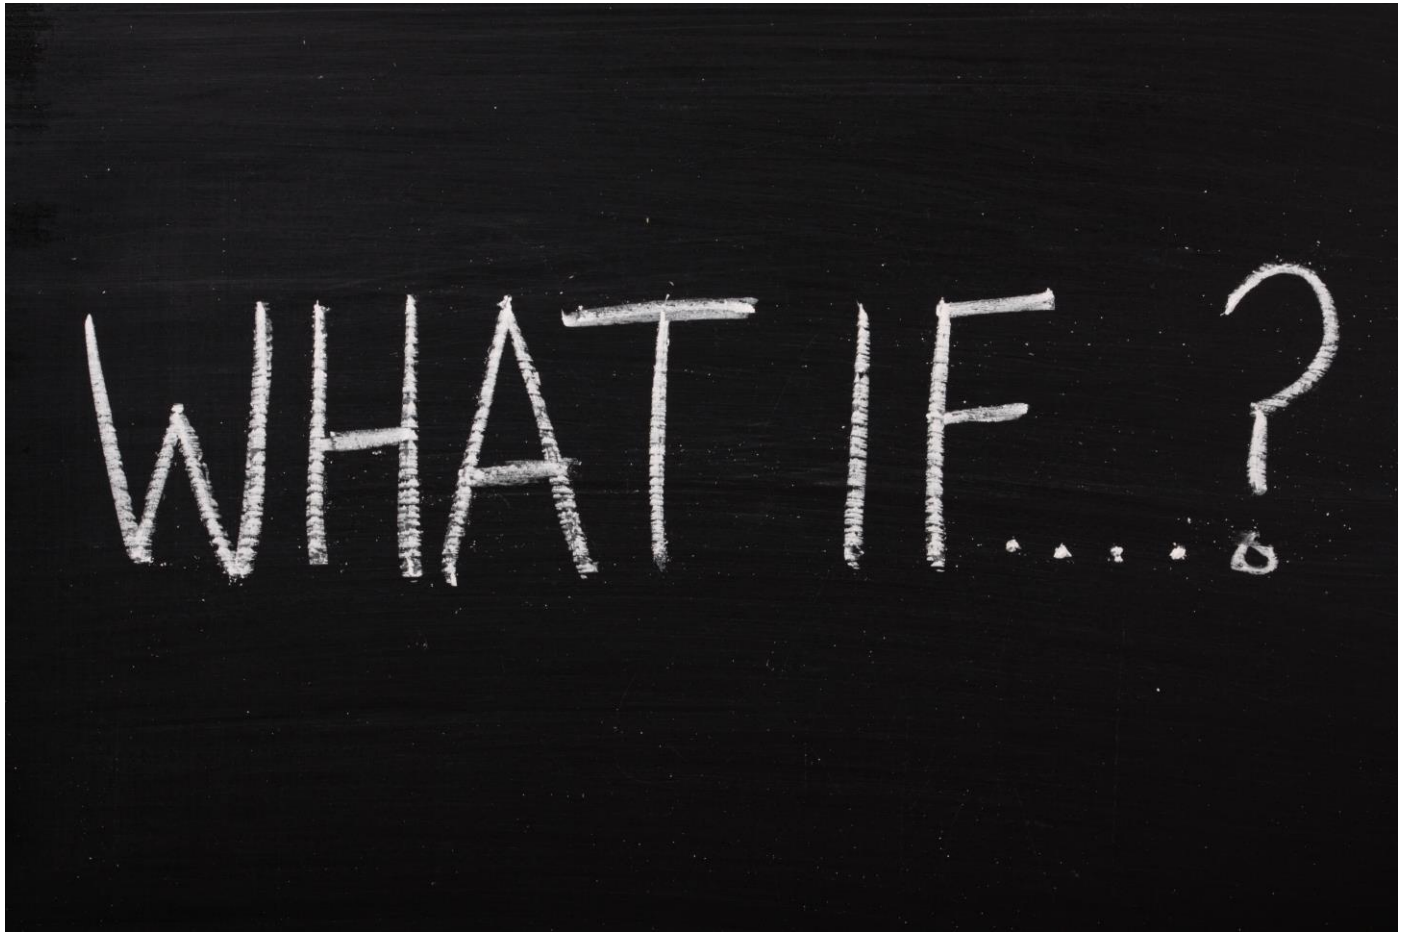
RPAS & ATM

6. Human Factors and Training.

5. Duty of Care. Legal responsibilities.

4.Contingency Plans/Procedures Lost link. Emergencies. Priorities.

Questions (and more questions)



Any Questions?
