Direction générale de l'Aviation civile

Ministère de l'Écologie, du Développement durable et de l'Énergie

National framework

- **Incitation** and **support** to innovative **local** projects following the strategy established by DGAC
- Bottom-up approach

vision
sûreté

Detailed process for local projects

1st proposal from stakeholders (airports, airlines and/or security companies, manufacturers...)

If the proposal meets the strategy established by DGAC :
- **Cooperation agreement** with DGAC about the global process
- Teamwork with DGAC on the detailed proposal

Detailed proposal about the projet (incl. deliverables and metrics)

If the detailed proposal meets DGAC's expectations : **Legal agreement** (incl project management and funding of the experiments)

Start of the project which can be composed of several experimentations

Timeframe... First effective results in 2017!

End S1/2014

- Official start of Vision sûreté on 25th June 2014
- 1st cooperation agreement signed on 27th June 2014 with Nice airport
- Other interested airports

S2/2014

- 1st call for proposal for local projects
- First trial at Nice airport
- Agreements with 2 other airports -> trials in 2015

2015/2016

- Follow-up on local projects
- Support from DGAC on local projects
- Call for local projects

S2 2016

- Analysis and feedback
- Recommendations for an improved checkpoint to all the stakeholders

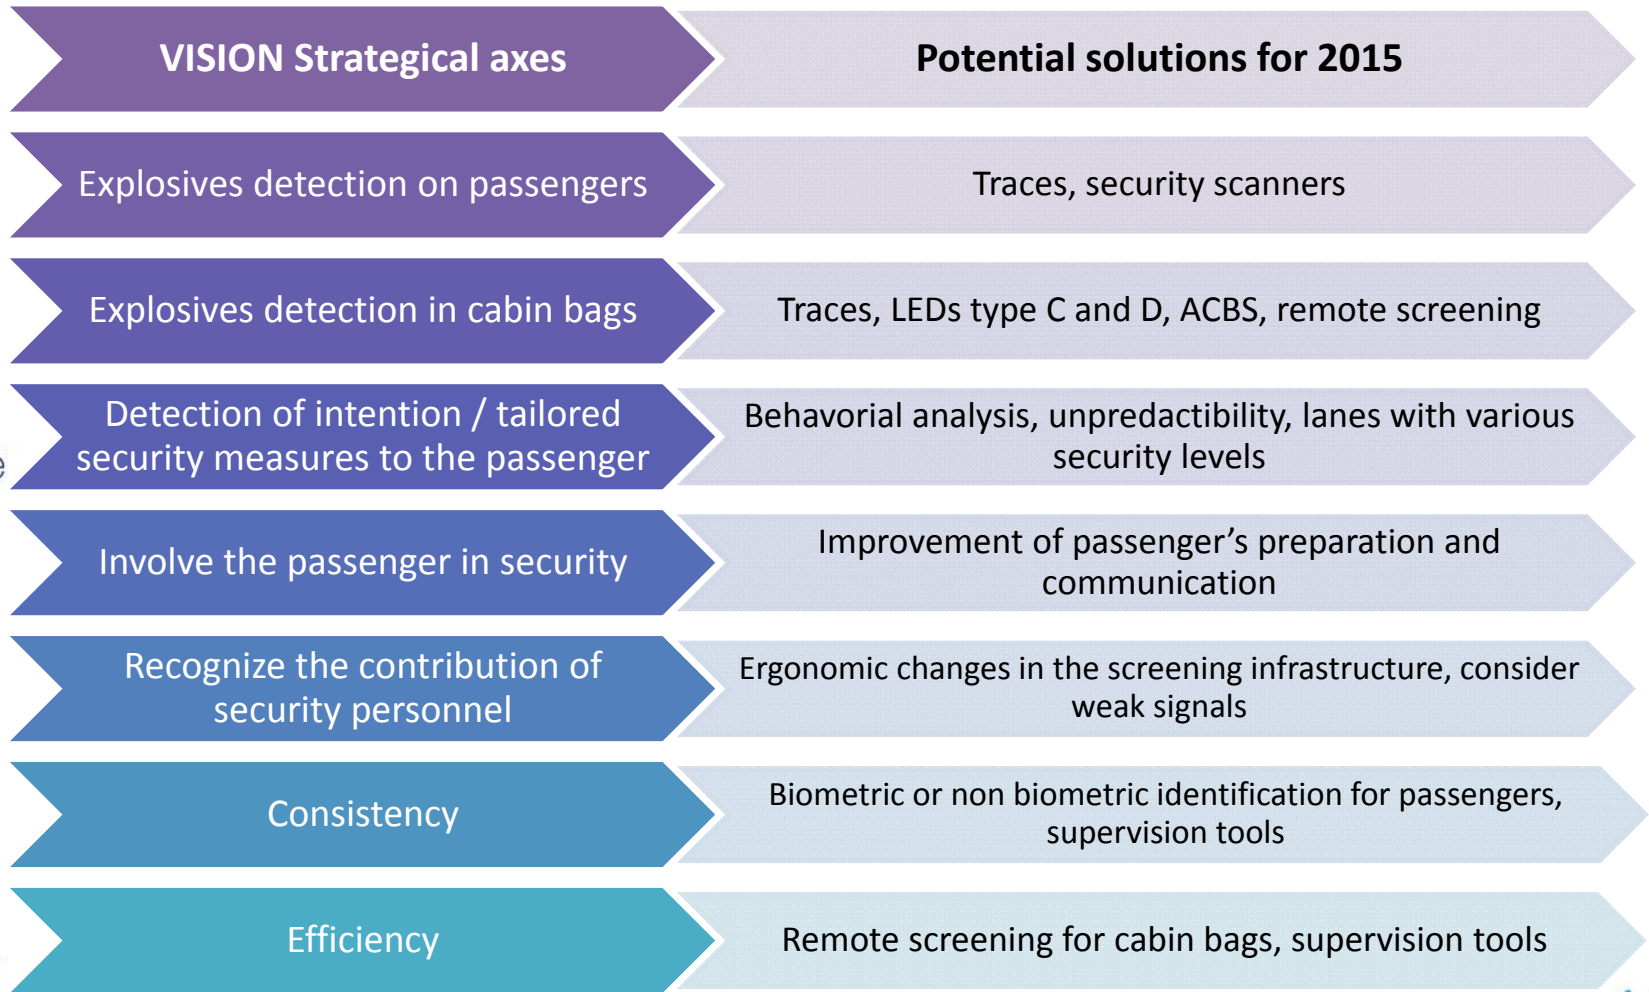

**1st step
Exploratory
Phase**

- **October 2014-
December 2015**
- All terminals
- Successive tests
- Identification of
successful
components

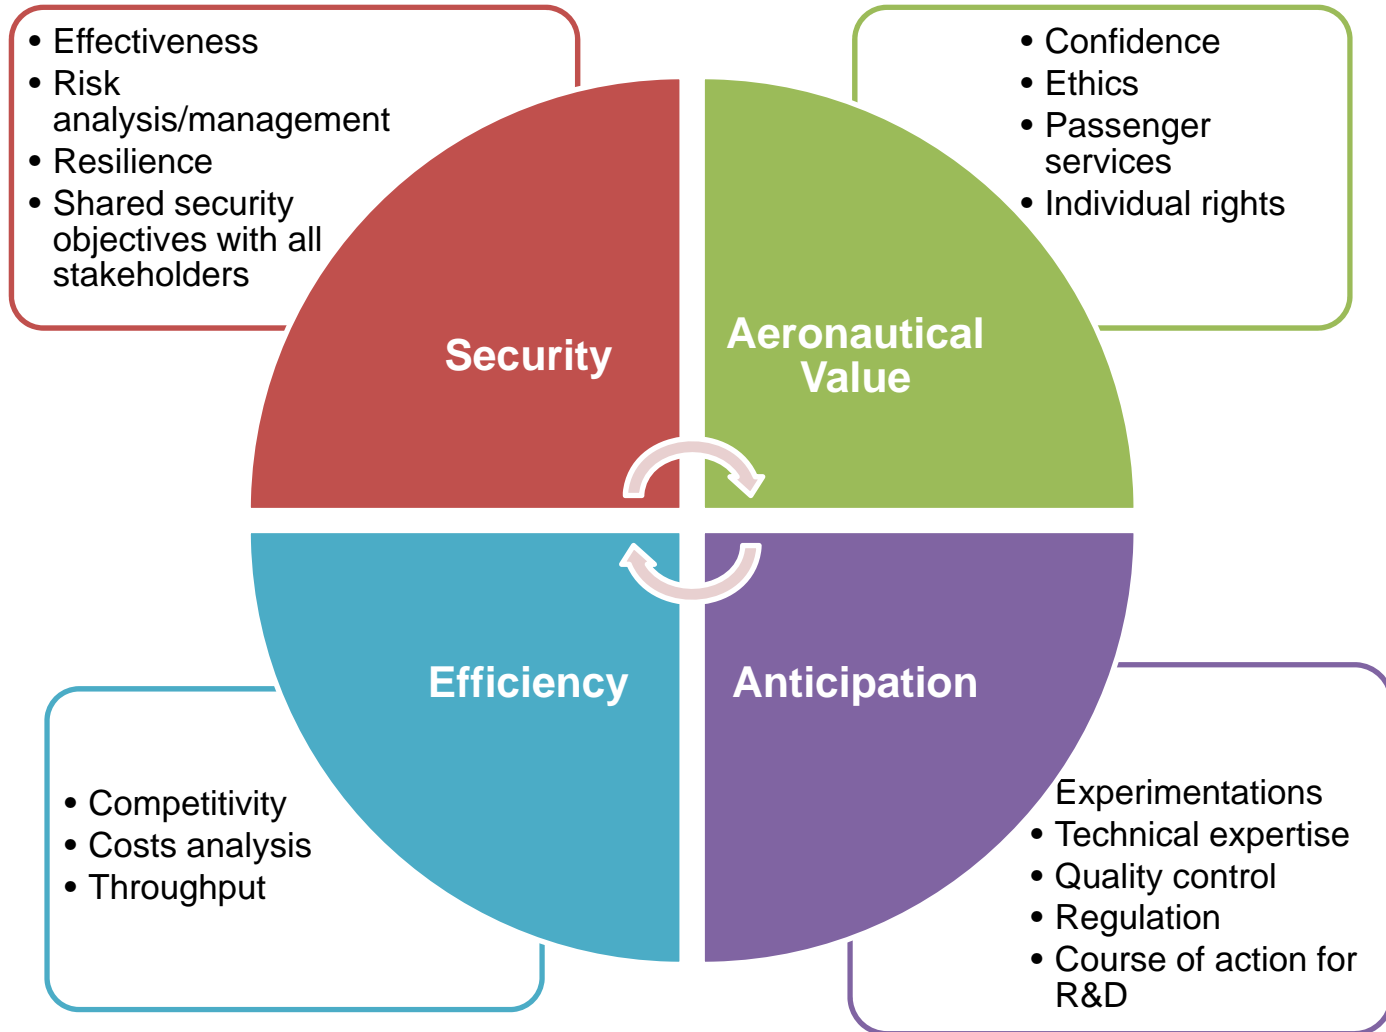

**2nd step
Integrated
solution**

- **January –
December 2016**
- Refurbished
terminal 1
- Simultaneous and
continuous tests
- Feedbacks
