ENSURE YOUR STATE'S INFORMATION IS UP TO DATE

Ensure your State focal points file their Air Services Agreements and traffic data. To address any discrepancies found in ICAO's WASA table or map, please contact ecd@icao.int

NOTE:

- The WASA Database includes agreements that are officially registered with ICAO (Art. 83 of the Chicago Convention), as well as other agreements and arrangements, which are publicly available.
- The ICAO E-Tools WASA Map is a data visualization of WASA data and traffic. For information regarding any discrepancies between your State's WASA table and visualization map, please visit ICAO's exhibition booth.
- States have an obligation, established under the Chicago Convention, to register aeronautical arrangements, including air services agreements, with ICAO. ICAO has promulgated rules to govern the registration process which can be found in Doc 6685- Rules for Registration with ICAO of Aeronautical Agreements and Arrangements.
- Administrative packages, including copies of the treaties and the list of States that are party to them as well template instruments of ratification can be accessed on ICAO's public website www.icao.int Questions relating to ratification of air law instruments can be directed to treaty@icao.int or leb@icao.int
