The level of achievement of indicators

PERSONAL DATA PROTECTION MEASURES HAVE BEEN STRENGTHENED

- determination of the procedure for the collection, processing and protection of personal data;
- appointment of a person responsible for the organization of the processing of personal data;
- increased requirements for the processing of restricted personal data.

THE DATA SUBJECT HAS THE RIGHT TO EXCLUDE PERSONAL DATA FROM PUBLICLY AVAILABLE SOURCES

with the exception of:

- cases, if contrary to the laws of the Republic of Kazakhstan;
- in the presence of an unfulfilled obligation

THE REQUIREMENTS FOR OBTAINING CITIZEN CONSENT HAVE BEEN CLARIFIED

- the term or period of time for which the consent is valid;
- the transfer of personal data to a third party;
- cross-border transfers of personal data in the course of their processing;
- dissemination of personal data in publicly available sources.

STATE ACCESS CONTROL SERVICE

FUNCTIONAL:

- **Provision of consent (refusal)** to the collection and (or) processing of personal data
- **Revocation of consent** to the collection and (or) processing of personal data
- **Notification** of a citizen about actions with his personal data
- **Providing** a citizen with information about the owners and (or) operators who have consent to the collection and (or) processing of his personal data
