# 01 PRINCIPLES OF THE DOCUMENT

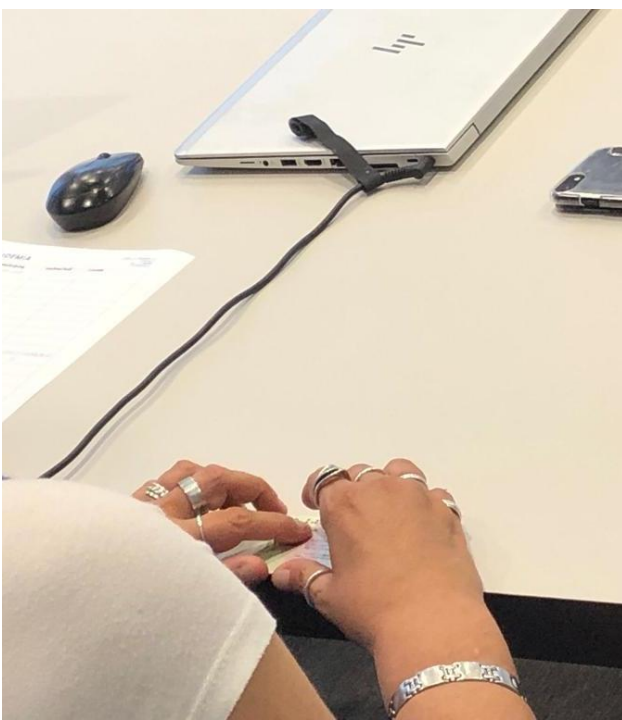

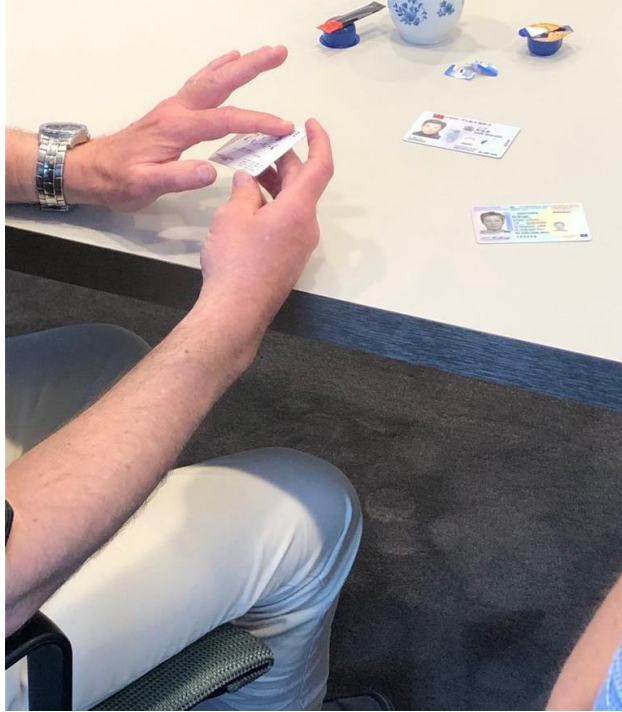

The background of the image is a blurred desk scene. It features several sheets of paper, some with text and diagrams, a blue pen, and a red notebook with gold lettering. The overall lighting is warm and soft, creating a professional and focused atmosphere.

# Principles of the document

- ICAO Doc 9303 standard (size passport, and layout data fields)
- EU & national regulation
- Interoperability
- Trusted
- Verification of authenticity and validity
- Connection between biometrics and holder of the document
- Less is more for security features
- Preserve the good
- Minor updates every 3 year

## 02 DEVELOPMENT OF THE DOCUMENT

A close-up, slightly blurred photograph of a desk. In the foreground, a red notebook with gold lettering is partially visible. A blue pen lies on a white sheet of paper. To the left, a hand is holding a blue pen. The background shows more papers and a keyboard, all out of focus. The text '02 DEVELOPMENT OF THE DOCUMENT' is overlaid in white, bold, sans-serif font across the center of the image.

## Tactile for impaired people

- Increase inclusion for use of passport and ID card by adding tactile
- Add additional security to prevent overlay
- Panel of representative impaired people

# Tactile for visual impaired people

## No Braille

Not everyone masters the language  
Difficult to produce due to height

## Form

Tactile without rounding more tangible

## Distance

Distance between tactile elements sufficiently  
distinctive

## Position

Distinction between front and back  
Distinction between top and bottom

A blurred background of a desk with various items including papers, a pen, and a notebook. The text '03 DESIGN' is overlaid in the center.
