

ENSURE YOUR STATE'S INFORMATION IS UP TO DATE

Eritrea

1. **SATAPS** is an on-line database for States and industry stakeholders to monitor the implementation of the Lomé and Antananarivo Declarations, and take necessary follow-up or corrective actions. Please register to SATAPS and upload the information. For more information, visit: <http://www.icao.int/sustainability/Pages/SATAPS.aspx>

2. **Aerotariffs** provides information on airport and air navigation services charges (tariffs) that are officially registered with ICAO. Under Art. 15 of the Chicago Convention, all Member States shall communicate to ICAO such charges. Please to revise the information sent and to update it, if necessary. If you find any discrepancy, please contact us at: aerotariffs@icao.int

You are invited to visit **Aerotariffs** website and request a demo of the tools, which is useful to calculate airport charges and to benchmark different airports: <https://www4.icao.int/doc7100>

3. The **World Air Services Agreements (WASA)** Database includes agreements that are officially registered with ICAO (Art. 83 of the Chicago Convention), as well as other agreements and arrangements, which are publicly available. For information and to correct any discrepancies, please contact us: ecd@icao.int

4. The **ICAO E-Tools WASA Map** is a data visualization of WASA data and traffic (attached). For any enquiry about the WASA Map, please visit ICAO's exhibition booth.
